Workshop: Governance for House Boards

Setting the Scene.....

All about governance and risk management.

NHT Governance Handbook:

Chapter Nine (pg 65).

NHT Governance video:

Preview and discussion

Richard (Quartz Consulting):

Unpack governance and managing HR risk.

What does good governance and risk management have in common?

"...good governance is something that cannot be ignored. Governance and risk management go hand-in-hand, and provide a framework to ensure that an organisation meets its legal obligations, manages its risks and ensures appropriate accountability throughout the organisation.."

Mick Gorton, October 2013.

NHT Governance Handbook

Risk Management:

Risk is everywhere.

Definitions and key words:

Types of risk.

Risk assessment, risk management.

Areas of the law and risk – can you name any?

What is the Boards role?

What is the Managers role?

What do we currently do and how effective is it?
